

Giovanna Girardi, PhD

Contact

Education & Work

Post-doc Research fellow supported by Compagnia San Paolo of Torino, Neuroscience-Program: *Temporally-defined crossmodal interactions in time and space: Overcoming the deficit in visual awareness in the neglect syndrome.*

Resp.: Prof. Pierluigi Zoccolotti
February 2010-February 2013
Department of Psychology
Sapienza University of Rome

Collaborator in the project *Control processes of object-based and time-based attention* to Prof. Gabriella Antonucci,
2008-2009

Department of Psychology
University of Rome 'La Sapienza'

Collaborator in the project *Cognitive processes and executive functions* to Prof. Gabriella Antonucci
2007-2008

Department of Psychology
University of Rome 'La Sapienza'
Rome, Italy

Collaborator in the project *Tactile Discrimination of distance and pressure judgment* to Prof. Gaspare Galati,
2006-2007

Laboratory of Neuroimaging, Santa Lucia Foundation,
Rome, Italy

Collaborator in the project *Plasticity of categorical boundaries* to Prof. Gabriella Antonucci
2007

Department of Psychology, University of Rome 'La Sapienza'

Doctoral Degree (eng. PhD) in Cognitive Psychology,
Object Perception and Action: User-driven and stimulus-driven aspects of goal-directed behavior.

Supervisor: Prof. Gabriella Antonucci,
April, 2006

University of Rome 'La Sapienza',
Rome, Italy

1-year Visiting PhD-research fellow, *Visual attention and intention in the planning and execution of goal-directed hand movements.*

Supervisor: Prof. Harold Bekkering,

November 2004-November 2005

Donders Institute for Brain, Cognition and Behaviour, Centre for Cognition, Radboud University Nijmegen,
Nijmegen, The Netherlands

Summer School_AIP (ita.)

Il modello lineare generale: analisi esplorativa dei dati e verifica di ipotesi con il linguaggio R

September, 2004

Bertinoro, Italy,

One-year Master (ita. Corso di perfezionamento) Cognitive Psychology and Neural Networks,

Attenzione Visiva Spaziale: Analisi degli effetti temporali in un compito di orientamento mediante simulazione con una rete backpropagation.

March, 2002

University of Rome La Sapienza,

Practical Training, Experimental and clinical Psychology, *spatial orienting of visual attention.*

2000-2001

Department of Psychology

University of Rome 'La Sapienza'

Master Degree, Psychology, Laurea cum laude,
Neuropsychology, neglect and spatial attention.

July, 2000

University of Rome 'La Sapienza'
